

MAIN SEAT REPAIR KIT

The Spartan Security hydrant uses a stainless steel seat ring. The material for the main seat and drain hole facings on the tri-arm assembly is a high-grade polymer that resists abrasion to provide a superior seal to prevent leaks and greater durability against damage-causing debris.

Refer to the Spartan User Manual for proper installation instructions.

ITEM #	PART #	DESCRIPTION	QUANTITY
63	SH2705	Main Seat Ring	1
69	SH2708	Main Seat	1
67	SH2709	Drain Facing	3
64	OR7258	Seat O-ring, Top	1
